YOUTH SPORTS TEAM FUNDRAISER

Newport Spirit Run's Youth Sports Team fundraiser is simple. The more team members and supporters who register to run or walk for your team, the more money your team raises.

You're probably familiar with See's Candies, wrapping paper, and dine-out fundraisers. At these fundraisers, team supporters purchase from a business, and the business pays your team a percentage (typically 10-20%) of the amount supporters spent, keeping the rest.

Newport Spirit Run's fundraiser is similar, but better! Your team earns a minimum of **25%** and as much as **45%** on Spirit Run registration fees paid by its supporters! Plus, it will be promoting health and fitness and team spirit as members and supporters run or walk and enjoy the event expo together. Notably, the percentage of registration fees your team doesn't earn benefits other schools, other youth teams, and other youth causes, not a for-profit business.

THERE ARE EVEN MORE WAYS TO EARN FUNDS:

When they register, Newport Spirit Run registrants are asked to credit the participating school or team they support and are invited to make donations to that school or team.

Team members may (but are not required) go the extra mile by setting up online giving pages to solicit credit card donations for the team in support of their participation in Newport Spirit Run.

Newport Spirit Run Family Sponsors may direct 25% or more of their sponsorship donation to their favorite participating school or team, including yours.

Participating teams are eligible for a bonus from Newport Spirit Run for showing exceptional dedication to youth fitness or to promoting Newport Spirit Run.
